election to more than one term at the same election.

A member who is to be a candidate for office shall notify the Secretary in writing of his/her intent to run by 5:00 p.m. at the PMCPOA business office by April 9th. However, any action taken (other than adjournment) must be approved by a vote of at least a majority of the memberships required to constitute a quorum.

5.09 Voting at meetings of members. A vote of a majority of the memberships entitled to vote represented at a meeting by ballots shall prevail with respect to the matters to be voted upon at the meeting.

Any member who fails to pay his/her assessment for a period of 77 days from the date on which such assessment becomes payable, shall, for the purposes of voting, utilizing the facilities of the Association, and participating in activities sponsored by the Association, be considered a Member not in Good Standing. Such Member shall not be reinstated to good standing in the Association until he/she has paid all assessments in full plus interest thereon. Delinquent assessments shall be charged a penalty of 9% per annum for any unpaid balance, 30 days after such assessments are due and payable. All members other than those described in this paragraph are Members in Good Standing.

E. In the event that any Member, whose assessment is paid, should terminate his/her membership as provided in Section 3.01 of these Bylaws, his successor in title shall acquire the benefit of such paid up assessment by becoming a Member of the Association.

F. On adoption of the resolution levying the assessment, the Treasurer of the Association shall give notice thereof in writing. The notice shall set forth the name of the Association, the location of its principal office, the date of the Board meeting at which the resolution levying the assessment was adopted, the fact of adoption, the amount of the assessment, to whom the assessment is payable and where,

G. The notice of assessment shall be sent by mail to each Member not less than thirty (30) days prior to the delinquent date addressed to each member at his/her address as it appears on the books of the Association.

H. If the assessments are not paid on or before the delinquent date, the Board of Directors shall, within thirty (30) days thereafter, cause notice of lien to be recorded in the office of the Recorder of Kern County and such lien may be enforced as provided in paragraphs A. and F. of this section. The notice shall contain a legal description of the property affected thereby.

I. Notwithstanding any other provision in these Bylaws, Section 10.02 and 10.03 hereof can be amended or repealed only by the vote or written assent of two-thirds (2/3) or more of the Members in Good Standing of this Association.

10.03 Budget formation. The regular Meeting of the Board in May of each year shall be the Budget Meeting. Prior to May 1, of each

year, the Board shall cause the Treasurer to mail to every Member at his/her address, then appearing on the records of the Association, the financial statement of the Association as of March 31st in such year, and an operation statement of income and expense for the nine (9) months ended March 31st in such year together with a comparison showing each item of income and expense budgeted by the Board for the fiscal year ending June 30th in such year. The Board shall also include in such mailing a proposed budget for the ensuing fiscal year and the allocation thereof as a proposed assessment against each Member and a notice that said proposed budget will constitute the first order of business at the Board meeting to be held on the third Saturday of May at 10:00 a.m. The proposed budget shall be the first order of business at the budget meeting. The Board shall not adopt a budget or make any assessment against the Members based thereon until the regular meeting of the Board for the month of June in each year.

10.04 Summary budget. In lieu of distributing the complete operating budget for the ensuing fiscal year as specified above, the Board may elect to distribute a summary of the budget to the members (within the time limits specified above), together with a notice that the complete budget is available at the Association's office and that copies will be furnished, upon request, to any member at the Association's expense. If a Member requests a copy of the complete budget, the Association shall mail the material, via first-class mail or mutually agreed upon method of delivery within five days. The notice required hereunder shall be presented on the front page of the summary of the budget in at least 10-point bold type.

10.05 Financial statement review. A review (audit) of the financial

statement of the Association shall be prepared in accordance with generally accepted accounting principles by a licensee of the California Board of Accountancy for any fiscal year in which the gross income of the Association exceeds \$75,000, according to Civil Code Section 1365 (c), or its replacement section upon its amendment or replacement. A copy of the review of the financial statement shall be distributed to the members within 120 days after the close of each fiscal year.

10.06 Policy on lien rights. In addition to financial statements, the Board of Directors shall annually distribute not less than 30 days nor more than 90 days prior to the beginning of the fiscal year, pursuant to Civil Code Section 1365 (e), or its replacement section upon its amendment or replacement, a statement describing the Association's policies and practices enforcing lien rights or other legal remedies against members for defaults in the payment of regular and special Assessments including the recording and foreclosing of liens against members' Lots.

10.07 Review of Association accounts. 11.01 Standing committees. The Association shall have the following standing committees:

- A. Budget & Finance Committee.

11.02 Ad hoc committees. Ad hoc committees for specific purposes or activities may be designated from time to time by resolution of the Board.

11.03 Committee membership and purpose. With the exception of the Election Committee, which shall be made up as defined in bylaw 11.07, membership in any standing and ad hoc committee of the Association shall consist of members in good standing who are appointed by the chair with concurrence of a majority of the directors. Each such committee shall perform those functions as are delegated to it in the committee's charter by the Board.

A. Term. Members of standing committees shall serve until the next annual election of directors and until their successors are appointed unless they resign or are removed earlier by the Board.

B. Vacancies. Any vacancy on any committee may be filled in the same manner as provided in the case of the original appointment and any such appointee shall serve the unexpired portion of his predecessor's term.

11.04 Conduct of meetings. All meetings of standing and ad hoc committees of PMCPOA shall be open meetings, and only members in good standing shall be permitted to participate except as may otherwise be provided by these Bylaws. Committees shall conduct meetings in accordance with the "Common Rules for all Committees" and rules promulgated by the Board from time to time.

11.05 Board liaisons. The Board shall appoint Directors as liaisons to each standing committee who shall be non-voting advisors.

11.06 The Environmental Control Committee.

A. Association power to delegate. The Board may delegate its environmental and architectural oversight duties to an Environmental Control Committee assisted by an Environmental Control Officer acting under the supervision and control of the Board. However, final approval rests with the Board of Directors.

B. Committee purpose. The Environmental Control Committee shall make a recommendation to the Board of Directors for the approval and disapproval of all plans to excavate, fill, change drainage patterns, destroy or remove trees or construct or alter improvements on any privately owned lot or on Association property.

C. Right to appeal. The right to appeal a recommendation of the Environmental Control Committee to the Board will be granted a property owner. A hearing will be held at the next regular or special meeting of the Board at which time the matter will be submitted to the Board for decision.

D. Lack of quorum. When a recommendation must be made by the committee and extenuating circumstances render it impossible for a quorum to assemble, a decision may be made by a body composed of: (a) the committee chair, (b) the Environmental Officer, and (c) a member in good standing appointed by the chair. After hearing the facts as presented, the chair shall inform the Board of the recommendation.

E. Review fees. To defray the cost of reviewing submitted plans and related documents, reasonable fees may be charged for applications submitted to the Association subject to the constraints found in Civil Code Section 1366.1, or its replacement section upon its amendment or replacement.

F. No waiver. The Association's approval of any plans or specifications shall not be deemed a waiver of the committee's right to object to any of the features or elements

embodied in such plans and specifications submitted for approval for use on other building sites.

11.07 The Election Committee.

The Election Committee shall consist of the Secretary of the Association and one person elected by each of the standing Committees and/or volunteers consisting of Members in Good Standing. The Election Committee will perform its duties according to the "Business Policies & Procedures, A-16, Election Procedures and Association Rules Article XIV, Election Rules".

ARTICLE XII ENFORCEMENT OF GOVERNING DOCUMENTS

12.01 Rules enforced. The right of any person to use and enjoy Association property shall at all times be subject to the rules, limitations, and restrictions set forth in these bylaws, in the CC&Rs, and in the Association's published Rules as promulgated by the Board from time to time.

12.02 Enforcement generally. The governing documents may be enforced by the levying of reasonable monetary penalties including fines, judicial enforcement, suspension of Association property privileges with the exception of the right of use of any roads, or any other enforcement mechanism as may be provided for by law. Failure to enforce any provision of the governing documents shall not be deemed a waiver of the right to enforce those provisions thereafter. Any penalties and/or suspension shall be imposed only after the member has been afforded the notice and hearing rights more particularly described in this Article.

12.03 Rights and remedies of the Association.

A. Schedule of fines. The

Board may implement a schedule of reasonable fines and penalties for particular offenses that are common or recurring in nature and for which a uniform fine schedule is appropriate.

B. Definition of violation. A violation of the governing documents shall be defined as a single act or omission occurring on a single day. If the detrimental effect of a violation continues for additional days, discipline imposed by the Board may include one component for the violation and, according to the Board's discretion, a per diem component for so long as the detrimental effect continues. Similar violations on different days may justify cumulative imposition of disciplinary measures. The Association shall take reasonable and prompt action to repair or avoid the continuing damaging effects of a violation or nuisance occurring on Association property at the cost of the responsible owner.

C. Limitations of disciplinary rights.

1. Loss of rights; forfeitures. The Association shall have no power to cause forfeiture or abridgment of an Owner's rights to the full use and enjoyment of his or her Lot due to the failure by the Owner (or his or her family members, tenants, guests or invitees) to comply with any provision of the Governing Documents or of any duly enacted Association Rule except where the loss or forfeiture is the result of the judgment of a court of competent jurisdiction, a decision arising out of arbitration or a foreclosure or sale under a power of sale for failure of the Owner to pay Assessments levied by

the Association, or where the loss or forfeiture is limited to a temporary suspension of an Owner's rights as a member of the Association or the imposition of monetary penalties for failure to pay Assessments or otherwise comply with any Governing Documents so long as the Association's actions satisfy the due process requirements of sub paragraphs below.

2. Hearings. Subject to the exceptions set forth in subsection (3.) below, and subject to California Corporations Code Section 7341, or its replacement section upon its amendment or replacement, no penalty or temporary suspension of rights shall be imposed unless the owner alleged to be in violation is given at least 15 days prior notice of the proposed penalty or temporary suspension and is given an opportunity to be heard before the Board of Directors or appropriate committee established by the Board with respect to the alleged violation(s) at a hearing conducted at least 5 days before the effective date of the proposed disciplinary action.

3. Corrective action without a hearing. Notwithstanding the provisions of subsection (2.) above, the Board of Directors or its duly authorized agents may undertake immediate corrective action under circumstances involving conduct that constitutes (a) an immediate and unreasonable infringement of, or threat to, the safety or quiet enjoyment of neighboring owners; (b) a

traffic or fire hazard; (c) a threat of material damage to, or destruction of, Association property; or an immediate and unreasonable infringement of, or threat to, the safety or quiet enjoyment of other owners on or in Association property. The Board of Directors or its duly authorized agents, upon request of the offending owner (which request must be received by the Association, in writing, within five days following the Association's disciplinary action), or on the Board's own initiative, shall conduct a hearing as soon thereafter as reasonably possible.

4. Notice of hearing. If the Association acts on its own initiative to schedule a hearing, notice of the hearing shall include the date, time and location of the hearing, the notice of disciplinary action, a reference to the specific governing document provision alleged to have been violated and a statement that the member has a right to attend and may address the Board at the meeting. If the accused owner desires a hearing, a written request shall be delivered to the Association no later than five days following the date when the fine is levied or other discipline imposed. The hearing shall be held no more than 15 days following the date of the disciplinary action or 15 days following receipt of the accused owner's request for a hearing, whichever is later. Under such circumstances, any fine or other disciplinary action shall be held in abeyance and shall only become effective if affirmed

at the hearing. The hearing notice shall be in writing and may be given by any method reasonably calculated to give actual notice, provided that if notice is given by mail it shall be sent by first-class or certified mail sent to the last address of the member shown on the records of the Association.

D. Rules regarding disciplinary proceedings. The Board shall be entitled to adopt rules that further elaborate and refine the procedures for conducting disciplinary proceedings. Such rules, when approved and adopted by the Board, shall become a part of the Association Rules.

E. Alternative dispute resolution (ADR). Before the Association or a member files a lawsuit for declaratory or injunctive relief related to the enforcement of the Association's governing documents and of the nature described in Civil Code Section 1354, or its replacement section upon its amendment or replacement, the Association and member shall endeavor to submit the dispute to alternative dispute resolution in accordance with the terms of Civil Code Section 1369.520, or its replacement section upon its amendment or replacement.

12.04 Court actions. Court actions to enforce the Governing Documents may only be initiated on behalf of the Association upon approval of the Board. If the Association declines to take action in any instance, any owner shall have such rights of enforcement as may exist by virtue of the California Civil Code or otherwise by law.

12.05 Monetary damages inadequate. Except for the

nonpayment of any assessment, it is hereby expressly declared and agreed that the remedy at law to recover damages for the breach, default or violation of any of the governing documents is inadequate and that the failure of any owner, tenant, occupant or user of any lot or any portion of the Association property, to comply with any provision of the governing documents may be enjoined by appropriate legal proceedings.

12.06 Cumulative remedies. The respective rights and remedies provided by these Bylaws, the CC&Rs or by law shall be cumulative, and the exercise of any one or more of such rights or remedies shall not preclude or affect the exercise, at the same or at different times, of any other such rights or remedies for the same or any different default or breach or for the same or any different failure of any owner or others to perform or observe any provision of the governing documents.

12.07 Failure not a waiver. The failure of any owner, the Board of Directors, the Association or its officers or agents to enforce any of the provisions contained in the governing documents shall not constitute a waiver of the right to enforce the same thereafter, nor shall the failure result in or impose any liability upon the Association or the Board, or any of its officers or agents. The recommended approval by the Environmental Control Committee and subsequent vote of approval by the Board of any plans, drawings or specifications for any work of improvement on any lot or Association property, done or proposed, or for any other matter requiring the approval of the committee under the CC&Rs, or any waiver thereof, shall not be deemed to constitute a waiver of any right to withhold approval of any similar plan, drawing, specification or matter subsequently submitted for approval

Page 17 of 18

by the same or some other owner. Different locations for works of improvement, the size of the improvement or structure, the proximity to other lots or residences or Association property and other factors may be taken into consideration by the committee in reviewing a particular submittal. The failure to enforce any of the covenants, conditions, restrictions, limitations, reservations, grants or easements, rights, rights-of-way, liens, charges or equitable servitudes contained in the CC&Rs shall not constitute a waiver of the right to enforce the same thereafter. Nor shall any such failure result in or impose any liability upon the Association or the Board, or any of its officers or agents. Nor shall the terms of any settlement agreement entered into in connection with any suit at law or in equity constitute a waiver of the right to enforce, nor stop enforcement of, any of the covenants, conditions, restrictions, limitations, reservations, grants or easements, rights, rights-of-way, or liens, charges of equitable servitudes contained in the CC&Rs.

12.08 Variances. The Board of Directors, after considering the recommendations of the Environmental Control Committee, if any, may permit reasonable variances from the Restrictions set forth in the CC&Rs to overcome practical difficulties, avoid unnecessary expense or prevent unnecessary hardship to owners, if all of the following conditions are met:

A. If the requested variance will necessitate deviation from or modification of, a property use restriction that would otherwise be applicable under the CC&Rs, the Board of Directors or the committee must conduct a public hearing on the proposed variance after giving prior written notice to all owners of lots within 300 feet of the subject lot. This

notice shall also be posted in the Association office. The notice shall be posted and mailed to the interested owners at least 15 days prior to the date when the Board of Directors is scheduled to act on the requested variance. No decision shall be made with respect to the proposed variance until the 15-day comment period has elapsed.

B. The Board of Directors must make a good faith written determination that the variance is consistent with one or more of the following criteria: (a) that the requested variance will not constitute a material deviation from any restriction contained in the CC&Rs or that the proposal allows the objectives of the violated requirement(s) to be substantially achieved despite noncompliance; or : (b) that the variance relates to a land use restriction or minimum construction standard otherwise applicable under the CC&Rs that is unnecessary or burdensome under the circumstances; or : (c) that the variance, if granted, will not result in a material detriment, or create an unreasonable nuisance with respect, to any other lot or Association property.

ARTICLE XIII INSTRUMENTS, DEPOSITS, AND FUNDS

13.01 Power to authorize agents. The Board may authorize any officer, agent, or employee of the Association, in addition to the officers so authorized by the Bylaws, to enter into any contract or execute and deliver any instrument in the name of, and on behalf of, the Association, and such authority may be general or confined to specific instances. Unless so authorized, no officer, agent, or employee shall have any power or authority, except as provided in these Bylaws, to bind the Association by any contract or
