RESUME

Candidate for PMCPOA Board of Directors

Resident and member in good standing since 1996

For those who do not already know me, please give me the opportunity to supply some background information. It is imperative that you are aware of my background and experience, so that you make an informative decision when it comes time to vote for the new directors.

I have been employed all my adult life in the emergency response business, both emergency medical/rescue and later law enforcement. I retired in 1999 after a 32 year career as a police officer and Police administrator. I have worked most all assignments and promoted through all levels of rank, concluding and ending at, the rank of Chief of Police. Commanding a local city Police Department, in Orange County provided many unique experiences that would be beneficial to a candidate for the Board of Directors.

I have been previously elected to, and served as a PMCPOA Director from 2010-2013.

The Board of Directors successfully operates best when working as a team, and no blame or credit, should ever be claimed by any one individual person.

Below are the listed accomplishments that occurred during my tenure as one of the Board Members:

- No increases in the member annual assessments for the entire three year period in which I served. **No, not even one dime.**
- No Association assets were lost due to litigation, which also resulted in lower legal expenses.
- Realignment of employee benefits to equalize throughout the organization. Restructured Human Resources to be more user friendly and granted modest salary increases where needed.
- Adopted open support and appreciation of all employees and invited their input for positive changes within the operations, which could potentially decrease costs to the association.
- Researched, analyzed, and completed a comparison study and obtained an outside professional consultant for the Bistro. This resulted in positive changes which will reduce assessment subsidy and provide a clear path forward, guided by a realistic business plan, and an operational Manual and a seasoned manager.
- Pursued, negotiated and signed a contract with Verizon Wireless to provide our now existing cell phone service at **NO COST, whatsoever,** to the PMCPOA or its' members.
- Retention of General Manager for a record of over three and a half years, which has resulted in a positive continuity of operations and a consistent achievement of goals. During this period no unnecessary funds were paid out for arbitrary termination based on personnel contracts poorly conceived.

If you agree with the above, I would appreciate your vote. If not, thanks for taking the time and interest in the election.
