The PMC community has always pulled together to assist one another in times of emergency.

To improve our Emergency Preparedness Committee's efforts, PMCPOA has started a **Radio Safety Net (RSN)**.

This will link volunteers across PMC, who monitor situations in their own neighborhoods and exchange critical information with fellow RSN members, Patrol, and local agencies. When other communication lines are down, this system is a vital lifeline.

We continue to recruit volunteers throughout PMC.

We will teach you everything you need to know about obtaining, setting up, and using specified GMRS radios to help keep our community connected.
