

From the desk of Natalie Sturm:

I would like my name submitted for nomination to become a member of Pine Mountain Club POA's board of directors.

I believe I would be a valuable board member for the following reasons:

1. We live in Pine Mountain Club because we love it!
2. I have 10 years combined experience of working on a Board of Directors as Entertainment Director, Vice Commodore & Commodore. My husband, Mark, is one of my greatest supporters. We lived in Pacifica CA for 10 years, just south of San Francisco prior to moving here. We found Pine Mountain Club many years ago with our (then young) children. And, decided at that time to move here during our retirement years. If elected to the Board, I will give it my all.

Thank you.

Sincerely,

Natalie Sturm
