Happy 50th Anniversary PMC!

Pine Mountain Club is celebrating its **50th anniversary** this year! We hope to be able to have some sort of gathering to mark the occasion, but that may not be possible. Meanwhile, stories will be featured in the Condor newsletter in 2021 highlighting the history, events, people and even the struggles that have shaped our beautiful mountain community into the special place it is today. In honor of this momentous year, we'd like to hear from our long-time members! If you have owned property here for a long time, or know someone who has, please share your fun stories with us for publication over the next year! Email details or stories to rwilde@pmcpoa.com. Thank you! We will look forward to your submissions.

Rules for Snow Play on Golf Course

A reminder that the **PMC Golf Course** must have a least 6 inches of snow on it before anyone can sled or play on the course. Please do

not go onto the golf course after it snows unless there is 6 inches or more of snow. The course will be monitored closely, and people will be asked to leave if less than 6 inches of snow has fallen.

If in doubt, please call the office or Pro Shop before arriving.
